ACCIDENTS CAUSE MUCHCOMMOTION

Another by Street Car, Injured in Broad Street.

Considerable commotion was caused in Broad Street last night about 10:30 o'clock, when two men were injured, one by a street car and another by an automobile, almost at the same time and within two blocks of each other. Miss Fullerton gave the average minimum wage of chorus girls at \$16. Those who "read lines," she said, rarely receive less than \$25 a week. The average salary of actors and actresses "reading lines" runs from \$35 to \$70 a week, she said.

"Do you," asked O'Hara, "know anything of stage people of both sexes being obliged to dress in the same dressing room?"
